To Order

We prefer to receive as much detail electronically as possible. If you have access to the Hebrew type in a .pdf, .eps, or .ai, please email it to us. If the type is already laid out, convert type to outlines before sending it to us. Please also provide placement details in the special instructions portion of our order form.

Otherwise, specify the characters or phrase in the copy portion of our order form, using the numeric equivalents shown in the tables above. Be sure the numeric equivalents are written in the order the characters should appear and leave clear spaces between words. Provide placement details in the special instructions portion of our order form.

If easier, separate Hebrew type order forms are on our website for your convenience.
